Comments about [Pure Comedy](#) - Father John Misty

Stonewing

Uh OK, just a vinyl me please version....meh, hardly worth the vinyl its printed on then ;)

SoSok

It is the Chris Bellman cut. My copy does have some surface noise.

Uriel

you clearly know not of what you speak, shame SHAME

RuTGamer

Wow the jealousy is real in this comment. VMP vinyl isn't inferior by any metric.

Cheber

There needs to be four listings, one for each cover and adding club in the tags to help differentiate from the four standard release listings

Unsoo

Then do it yourself. What's the use in just suggesting it?

Nekora

Where and when was this sold? On their web store, the only options are standard black 2LP and the deluxe - I preordered this the day it went up and never saw an option for this version.

Vishura

It was a Vinyl Me, Please edition, and so was only available from their web store

Doukree

They advertised in as Gold/Burgandy Marbled. But the actual product is more like clear with red and gold swirl.

Gadar

It is the Vinyl Me Please exclusive. Sold out very fast!

Nirn

I got it from the member store when it opened. Stuff like this usually sells out within an hour of the store opening though.

Qusserel

I believe this is the Vinyl Me Please exclusive version sold only to members on their website

Keath

I got this through Vinyl Me, Please. My variant came with the Rainbow cover.

Pemand

This was sold through "Vinyl Me, Please." You have to be a member of their site, (they have several different types of subscriptions) and as a member, you are given opportunities for "exclusives"...this was one of them.

Aurizar

This was sold exclusively on Vinyl Me, Please and was a pre-order at the beginning of April. I believe it sold out the first day on their website, as this is a limited copy to 750.

The Rollers of Vildar

This version is Vinyl Me, Please exclusive. It was only available for a couple hours before selling out. It's technically "Gold/Burgandy Marbled".
